

**Agreement**

We have voluntarily entered into a mentoring agreement. As a mentee I will openly discuss my career goals and experiences for the purpose of shared learning and career enhancement. As a mentor I agree to respect my mentee in regards to their independent goals. We agree to work thorough any communication challenges or conflicts that may arise during the mentoring process.

**Confidentiality**

We understand that confidentiality is critical to developing a trusting mentoring agreement. Consequently, we agree to maintain the confidentiality of the person and business experiences that we share with each other. Furthermore, we understand that we will both uphold the same standard of confidentiality.

**Expectations**

Together we will create long-term and short-term objectives to make our time together meaningful and productive and work to creat a better product together.

I understand and agree to the terms on this page.
